ANNOUNCEMENT NO. 2
INVITATION TO ATTEND AND PRESENT AT THE SCIENTIFIC CONFERENCE

To: Distinguished Delegates

Following Announcement No. 1 regarding the call for papers and presentations at the Scientific Conference "Artificial Intelligence in Healthcare 2026: From Vision to Impact" (AI4Health 2026), the Organising Committee presents its compliments and best wishes to all distinguished delegates.

The AI4Health 2026 Conference is designed as a strategic transition from establishing an academic forum to deploying platforms and evaluating the real-world impact of AI in Vietnam's healthcare sector. Co-organised with the VNU University of Engineering and Technology and the Vietnam Association of Faculties - Schools - Institutes of Information and Communication Technology (FISU Vietnam), the overarching objective of AI4Health 2026 is to accelerate the shift from research and discussion to practical implementation and impact measurement within the health system, contributing to a smart, equitable, and sustainable healthcare model in Vietnam.

Key Details of AI4Health 2026:

Date: October 23rd – 24th, 2026

Venue (tentative): University of Medicine and Pharmacy, Vietnam National University, Hanoi, 144 Xuan Thuy Street, Cau Giay District, Hanoi

Scale: 500–700 in-person delegates

Participants: Representatives from the leadership of the Ministry of Health, Ministry of Education and Training, Ministry of Science and Technology, Vietnam National University, Hanoi; leaders of universities, hospitals, corporate entities, research institutes, and international organisations in healthcare and AI, alongside leading national and international experts.
